Report of Operations  
during the month of  
February 1865.

Hd. Qrs. Early's Division  
Ordnance Dept. February 27th. 1865.

Maj. Geo. H. New

A.A. & I. Genl. Early's Division  
Major,

I have the honor to submit  
the following report of the operations of the Ordnance  
Department of this Division, during the month of  
February, 1865.

During the month Requisitions have been forwarded  
for,

80 Small Arms Cal. 58	
1262 Bayonets	
354 Cartridge Boxes	
1033 Cartridge Box Belts	
755 Waist Belts

787 Cap Pouches	
250 Ball Screws	
250 Screw Drivers	
250 Wipers	
50 Haversacks	
50 Knapsacks	
80,000 Rds. Ammunition Cal 58	
16 Tarpaulin Wagon Covers	
	1 Ream of Cap Paper
	300 Envelopes
	1200 Blank Forms

Received to fill Requisitions which had been forwarded  
previous to the beginning of this month,

53,000 Rds. Ammunition. Cal 58

and in part fulfilment of Requisitions made during the  
month,

80 Small Arms Cal. 58

80 Bayonets

354 Cartridge Boxes

765 Waist Belts

787 Cap Pouches

50 Haversacks

290 Screw Drivers

330 Wipers

Distributed to the Brigades during the month,

103 Small Arms Cal. 58

85 Bayonets

354 Cartridge Boxes

755 Waist Belts

130 Screw Drivers

280 Wipers

50 Haversacks

72000 Rds. Ammunition Cal. 58

Stationery and Blank forms.

I have on hand in the Reserve Ordnance Train,

160 Wipers

163 Semic Drivers

17 Cap Pouches

51000 Rds. Ammunition Cal. 58

26500 Extra Percussion Caps.

About 200 Small Arms and Gun barrels were picked up on the Battle Field, and turned in for repairs.

On the 20th. inst. the Division was reported as to me, as armed to within four or five men in each Brigade. No more guns were wanted because there were already in the Division more than could have been carried on a march, or into a fight.

Whatever deficiencies may now exist will be regularly reported on the Armament and Ammunition Report of tomorrow, when further Requisitions will be forwarded, if necessary.

Very Respectfully

Sir:

In my report of the 22<sup>nd</sup> inst. I unintentionally made an incorrect statement in saying that the Medical Officer in charge of the Ambulance Train, which arrived on the morning of the 19<sup>th</sup> inst, did not report at this Hospital. It was the Medical Officer in charge of the train on the previous day. This mistake was made under the impression that on the above mentioned day the first train accompanied by Medical Officer arrived from Richmond, whereas it was the second. Except this mistake my report of the 22<sup>nd</sup> is true.

I will reiterate, I was at the Depot on the morning of the 19<sup>th</sup> inst on the arrival of the Danville train, with nurses and assisted and directed in the transfer of soldiers from one train to another, received into this Hospital twenty seven (27) of the sick & wounded.

My dear friend  
I have just received  
your letter of the 10th  
and am very glad to hear  
from you. I am well and  
hope this finds you the same.  
I am very much interested  
in the progress of the  
cause and hope to hear  
from you again soon.  
Yours truly,

Headquarters

Sir

I have the honor to acknowledge the receipt  
just now only of General Order No. 21, in  
which Headquarters has relieved me from further  
duty as Medical Inspector of General Hospitals  
in this District and granting me a leave of  
absence for thirty days from the 19<sup>th</sup> inst.  
In a letter which I had the honor to address  
to you yesterday and which was written I  
was aware of the existence of the above order  
I gave the liberty to call the attention  
of the General to the fact that  
I was not a commissioned officer as then in  
the post of general inspector in this District  
although I had reported for duty in that  
capacity immediately on receipt of my  
appointment from headquarters of the  
Trans Mississippi Dept. on the 6<sup>th</sup> day

I am very sorry to hear of your  
at finding myself unable to  
it was not to be expected to  
In the other word Order No. 21, which is  
to my position in regard to the duties of  
Inspector of Camps and Hospitals  
in this District has been delegated to me  
in order to assume the functions of Medical  
Inspector of General Hospitals but which up  
to this moment as far as I have been informed  
the Major General <sup>Senior</sup> has declined to  
grant.

You will thus perceive that the Order No. 21  
relieves me from duties which I had never been  
permitted to perform while it leaves me in  
perfect ignorance as to whether the General leaves  
me still to attend to the duties of the Office of  
Inspector of Camps and Hospitals <sup>into</sup> which I was  
placed by him originally or not.

General

In an interview granted to me on yesterday by the Major General commanding this District for the purpose of discussing the various charges that have been brought against me and which finally led to my arrest and arraignment for trial explanations in reference to my official conduct were made by me which I hope were entirely satisfactory to the General as at no time since I have been on duty in this District have I ~~intentionally~~ <sup>unintentionally</sup> disobeyed the orders or known wishes of the General. It is true that the General recalled to my mind instructions recently given by him to me at Corpus Christi which I either did not properly understand at the time or which had escaped my recollection.

Since then all <sup>apparent</sup> insubordinate conduct on my part has arisen from a confusion of

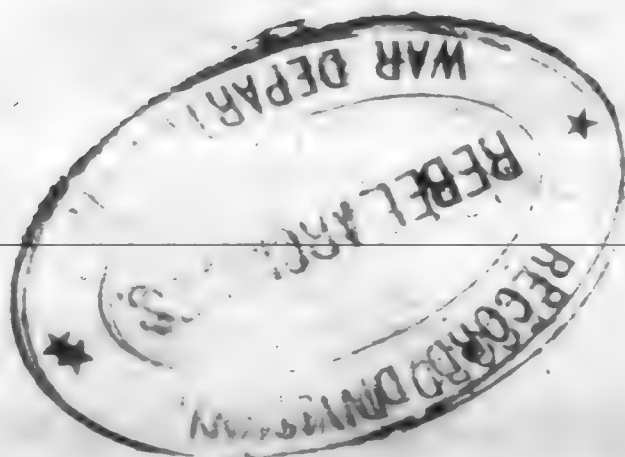

Orders and a misapprehension of my true position,  
and I therefore particularly disclaim any responsi-  
bility at any time to disobey the orders of my  
superiors or in any way violate the laws and  
regulations of the Army,  
trusting that this explanation may prove  
satisfactory.

I am General

Sir,

During my recent visit to Lagrange Fayette Co. I discovered that two of the individuals ~~named~~ that had been arrested for disloyal practices by order of Genl. Magruder were released for the want of evidence. Since their return home exhibited an additional degree of bitterness against the Confederate Govt & Representatives and those who are using their influence to advance the interests of our cause. The one is Col. Lindsay the Editor of the Patriot who before he emigrated to Texas from what can learn was compelled to leave Kentucky on account of his abolition views & tendencies. The second is a Mr. Youngbaker a german schoolteacher who uses a most sly but dangerous influence upon the minds of the germans of Lagrange and vicinity. I have been told by many of them that when the handbills were posted giving notice that I would address the germans of Fayette Co. on the subject of the war he took great pains to prevent their coming to the meeting and in many instances succeeded by the foulest misrepresentations such for example

as my being an enemy of the Union and  
and by Genl. Webb to entrap him.  
If you apply to Mr Drake, the Editor of the  
true issue Genl Webb or Dr Friedman you  
can no doubt obtain evidence enough against  
both these men now to bring them to the punish-  
ment which they so richly deserve.  
I am happy to inform you that in all the  
other localities I have visited I found the  
feeling generally good. That in all of them  
and especially in the city of Austin there are  
more or less men of reasonable sentiments there  
can unfortunately be no doubt but the events  
of the past few months have taught them to be  
quiet and on the look out and hence they do  
comparatively little harm and it would be almost  
impossible to find sufficient evidence against  
them no matter how convinced we be of their  
guilt.

Very respectfully,

Brig. Genl. H. H. Hays

Comdg. 1<sup>st</sup> Subdistrict of Texas.

I have just been furnished with a letter from Cap<sup>t</sup>.  
H. H. Hays in which he says that  
there are a large number of cases of yellow fever  
already scattered there and that they are of  
such malignant type as to justify the opinion  
that the whole country is very likely to be  
affected. He also says that the letter written  
at Harlingen and addressed to his brother  
Genl. H. H. Hays, the 11<sup>th</sup> Feb. 64, has been  
received and that a regular line  
of communication is being maintained between  
the country and the port. The necessities of  
the country are such that we  
cannot afford to prohibit this intercourse al-  
though we may reasonably expect that it will  
be constantly exposed to the danger of having  
yellow fever imported among us. You have  
already authorized me to make a sanitary  
inspection of every vessel arriving in this harbor  
from a foreign port before its crew and passengers  
are allowed to come on shore or its cargo brought  
into our warehouses. Since then I have seriously

REPORT OF THE SURGEON GENERAL TO THE SECRETARY OF THE ARMY  
ON THE SUBJECT OF THE YELLOW FEVER

reflected on the subject and said that we are utterly unprepared for the disposal and safe accommodation of the cargo coming from infected ports or patients labouring under yellow fever in arrival here. The old city hospital is too near the houses of citizens and the contagion may even take place during the removal of the sick from the vessel to any part of the town. Upon full investigation of the matter I beg to submit and recommend that a couple of frames be erected as Quarantine Hospital on Pelican Island at a point that is easy of access to boats. This place is sufficiently remote from our Garrison at Pelican Spit and is clean and open to the sea breeze and nurses and supplies can be easily sent there when the occasion requires while its perfect isolation adapts it peculiarly to the object in view. The Cargo of the vessel might also be exposed there to the rays of the sun and breeze sufficiently long to purify it while the vessel itself at anchor in the vicinity undergoes a thorough process of cleaning and ventilation. Defects both infectious disease on board may make their appearance here at any time hence I would respectfully submit that no time be lost in issuing such orders as may enable me to deal with them in a manner to prevent the spreading of the disease and all among our troops.

Very respectfully,

A historical document, possibly a letter or official communication, featuring a prominent circular stamp. The stamp is oriented vertically and contains the text "DIVISION OF ARCHIVES" at the top, "WAR DEPARTMENT." at the bottom, and a small star in the center. The document is heavily covered with dense, handwritten cursive text, which is mostly illegible due to the angle and fading. A date "1864" is visible in the lower right corner of the document. The paper appears aged and slightly discolored.

A circular stamp from the U.S. AIR FORCE DEPARTMENT, DIVISION OF ARCHIVES. The text "U.S. AIR FORCE DEPARTMENT." is curved along the bottom left, "DIVISION OF" is curved along the top right, and "ARCHIVES." is in the center. A five-pointed star is located at the bottom right of the circle. The stamp is heavily inked and appears to be a duplicate or a very dark impression.

Headquarters

Sir

I have recd. your communication of this date expressing surprise in the part of the Brig. Genl. James at my having brought on shore from the Tascumb a few Bunches of Bananas and Pineapples for distribution among the officers of these and District Headquarters and also condemning "my wanton and reckless disobedience of Orders". As regards the latter I beg most emphatically to disclaim either the intention or the act. My report on the condition of the vessel and the inquiry which accompanied it as to the manner in which the Genl. (James) deserves her to be entered and provisioned during her period of Quarantine give ample evidence of my anxiety to act fully in accordance with the wishes and Orders of both the Major Genl. (James), the Supt. and the Brig. Genl. (James). The Sub. Distr. I may have erred but if I have done so it was not with intention nor recklessness and as far as danger arising to this Garrison is concerned the combined experience of the Quarantines of the world will sustain me in the opinion which alone could have caused me to be thus censured, that fruits are utterly incapable of retaining or communicating infection.

Headquarters

In compliance with Orders recd. from your Headquarters  
I embarked soon after daylight this morning to go on  
Board the Steamer Susanna of whose arrival in the  
port I had been notified during the night by the Officer in  
Charge of the Observatory. Owing to the delay and confusion  
incidental to the neglect of having a Boat always in  
readiness for Quarantine purposes and the existing doubt as  
to whether a guard should be sent on board the ship with  
the health and Revenue Officers my departure was delayed  
till nearly 8 o'clock A. M. by request of the Chief of the  
harbour Police. I found the Crew of the ship in perfect  
health and as I am informed by the Captain every  
individual is perfectly acclimated. The Captain also  
informs me that he has brought a letter to Maj. Genl.  
Magruder from Major Huber the C. S. Agent in  
Matanzas stating that the health of that city at the  
time of departure of the Steamer was unusually good  
considering the season of the year.

I have in conformity with the Orders of the Brig. Genl.  
Comma. placed the vessel in strict Quarantine.  
As the ship during the period of her Quarantine  
will require <sup>water and</sup> some provisions from this city I would  
respectfully request to be informed in what manner  
they are to be transported from the shore to the Susanna

Twelve Months Since  
Maj. J. C. Holland left his business, a wife  
and six children and entered the Confederate  
service seven months of which time he has by  
appointment and Commission held and faithfully  
discharged the duties of Brigade Commissary  
of the same Brigade. Being the Adjutant General  
to the Brigade I have had full opportunity  
to judge of his Capacity.

Workingman, energetic, strictly sober, and attentive  
to business.

I have known him in large contracts  
to save hundreds for the Confederacy - he only  
requires the rank of Captain if any man  
deserves promotion that Maj is Holland.

I most earnestly recommend  
that his rank, and pay be raised to that of  
Major.

Gen Carroll's Brigade  
having left Knoxville on the last of the

Springs, with them hence the delay.

The road from Knoxville  
over a Mountainous Country, the worst I  
fear that any mortal man ever travelled  
through, breakdown &c. and part of  
the time, considerable delay on account of  
expensive stock. I reached Millington  
and scarcely had time to commence work  
again before the retreat of the Battle of our  
fishing boat. The ground over the road enroute  
to this place, and I believe roads equally  
as rough as those, only a few days' passage  
over.

In my report you will discover an excess of  
cleaner of 16 Barrels flour which I suppose got  
mixed up with other flour not knowing any  
the difference.

Secretary of War

Sir,

I had the honor on Friday  
last, to lay before you, through  
the Hon. R. T. Mallory, my applica-  
tion for a discharge from  
military service on the ground  
of physical incapacity, my  
application being sustained  
by a certificate from the Captain,  
and an order from the Surgeon  
of my Company. My wound  
is bleeding of the leg, and  
I deem my return from military  
service necessary to my immediate  
recovery. You are now  
the Honorable to endorse "Grant  
discharge" on my application,  
but having nothing further  
of it, and being informed that  
the paper is misplaced, I make  
this statement of the circumstances,  
which have doubtless reached  
your mind, and refer to  
Mallory for the necessary  
corrections, and respectfully  
ask a discharge.

I have the honor to be

Sir

I had the honor some time since to recommend for appointment as Quartermaster - William Baynard, Jeches Reed, and E. M. Burroughs. These recommendations were endorsed by Brig. Genl. Fenigan then Comd. this Dept. E. M. Burroughs has since received an appointment as Capt. + A. C. S. I would therefore ask the appointment of St. W. Holland, a gentleman who has served throughout the war and who is in every way qualified for the position, in the place of E. M. Burroughs. - I would respectfully ask that the rank of 1<sup>st</sup> Lieut. be conferred upon these three (William Baynard, Jeches Reed - & St. W. Holland) in the list of disabled officers sent me - there are none who are not dead, returned to their Regiments or unfit for any duty, and I stand much in need of officers for the ensuing service.

I have the honor to be Sir

Hon Sec. of War

Sir,

Herewith I have the honor to enclose the certificate of the Captain and Surgeon of the Howell Guards, Independent Co. serving at Cranston of my unfitness for duty, being threatened with Consumption and suffering with bleeding from the lungs. I have been confined to my house for more than a month being unfit for duty and I greatly fear that if I am compelled to remain in this climate during the remainder of the Winter & Spring that it will put an end to my existence. I therefore desire to obtain a discharge from the service in order that I may go to a milder climate to restore if possible my health.

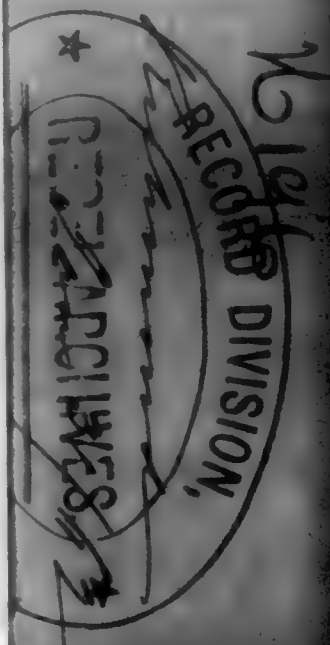

Yours obedt Servt

I certify that I have personally  
 examined Mr. Nathan M. Hallen &  
 certify that he is Capt. George M.  
 Hallen Company, and that he is  
 fit to perform the duties of a soldier  
 because of his age, physical condition  
 and place. Mr. Hallen has had  
 an illness since he was a boy, and  
 which has impaired his health  
 that he is now incapable of performing  
 the most ordinary duty. It has been  
 said that he is from the same and  
 a man in the service of the  
 United States Army.

To The Honorable G. W. Randolph Secretary of War

Dear Sir

After long continued ill health I hereby respectfully offer my resignation as Assistant Surgeon of the Third Regiment Georgia Volunteers.

I have been suffering for the last thirty five years with a very troublesome Cough - previous to which my general health was quite feeble. In consequence of the great press of business in the Regt. I have deferred my resignation with the hope that my health would improve, and have imprudently kept most of the time on duty. but instead of improving my health has grown worse almost daily - until I am now worn down and <sup>physically</sup> well nigh exhausted. I believe it will require a long time under the most favorable circumstances to recuperate if I ever do regain my former state of health. I am now totally unfit to perform any of the duties of my office.

Very Respectfully

Yrs. obt

Thos H Williams Med Director  
"Managers Journal"

Leedsburg Oct 29<sup>th</sup> 1861

Sir - The 12<sup>th</sup> Oct is to hand and in reply I would state that my report was handed in at the Medicine Director's office on the 1st of the month. I have a Regimental Hospital in Leedsburg - where I treat all my cases as if they were in camp - no cases are treated in camp except such as are fit for duty. It seems that this report goes to form a part of the General Summary Report for the Leedsburg Brigade Hospital. With this I have nothing to do. I have not sent a single case to the Genl Hospital since my Regiment has been stationed at this place; and you are mistaken when you state that I have reported ~~any~~ any -

Enclosed you will find a "fac simile" of the report handed in on the 1<sup>st</sup> of this month - except that imprint of the Discharge & ~~the~~ <sup>the</sup> surgeon's certificate & death. If the Medicine Director here has not permitted it is not my fault - I have not signed the copy as I do not consider it my duty to do so.

Respectfully -

James M Holloway -

Ans: ~~the~~ fine to the Q. M. Genl. —

As this Regiment has been in service as a Regiment for more than a year, but by reason of adverse circumstances, only known to this office officially within a short time past - (it not being able hitherto to place its Roll on file,) and as Holloway has been discharging his duties as Q. M. in good faith all the while, it is recommended that you withdraw your request for assignment in this case, and let Holloway's appointment be made -

Sir:

Wm. L. Morgan's Dir. Genl.

Abingdon Va. July 8<sup>th</sup> 1864.

I recd from General  
E. D. Holloman A. S. M. of the 5<sup>th</sup> Ky. Cav, that  
he had been dropped from the rolls. Capt Holloman and  
the rest of my Regiment were captured at  
Puffington Island, Ohio on the 19<sup>th</sup> day of July,  
1863, and he is now a prisoner of war at Fort  
Delaware. The striking of his name from the roll  
of Dr Mrs in your office was made, I presume,  
under a misapprehension of facts. You will  
therefore be good enough to have him restored  
to his former position.

Respectfully

Your Obedt Servt.

1. I have been so long in the position of Captain, that I feel that I am now in a position of my own, which I feel is a position of my own, and I feel that I have not been able to do with my duty, during the last four months, I do not think it probable that I shall ever be able to resume my former position in it.

And I do now certify, that I have no Government property in my possession, that I am not indebted to the Confederate States, on any account whatever, and that I am not under any charge that can affect my pay. I furthermore certify, that I have not been absent from my Regt, without leave.

R. Holman Chaplain to His Majesty having applied for a certificate  
on which is set out an application for resignation. I do hereby  
certify that I have carefully examined the officers on which  
him I have no objection to his resignation. I am therefore  
through my own consent and on being further con-  
firmed by my heart that the request of resignation, if ever, is distant  
and sincere. I therefore recommend that his resignation  
be received. His Majesty's Chaplain to His Majesty

Wm. Lloyd Garrison

Wilmington, Dec. 10th, 1852

Sir:

I have had the honor within the last few days to receive the  
first formal notification of an appointment as Chaplain in the  
U.S. of the Anti-Slavery Cause.

I am bound to signify my acceptance as soon as possible  
of the honor.

Although I have been acting in the same capacity of pastor  
of an order emanating from the Anti-Slavery Cause since  
the 10th of July, my physical condition has since become  
such, as in my opinion, seriously to unfit me for the service.  
Under these circumstances, I must ask, if allowable, to  
decline the appointment this tender.

As I am to be absent immediately of the pleasure of the  
appointment in the business.

I am, Sir, with  
Very respectful regards,  
Yours,  
Wm. Lloyd Garrison

To Lieut Col. Alfred Roman

Charleston Apr 23<sup>d</sup> 1863

Colonel,

A ~~direct~~ <sup>direct</sup> of a most alarming character has made its appearance among the negroes working on the defenses at Mount Pleasant & Sullivan's Island of which, many have died at the rate of two and three per day & many are still suffering in the hospital.

Various causes are assigned for the ravage it is making amongst negroes. The Doctor in attendance gives it the name of cerebro spinalis affection and intimates that it may owe its origin and its deadly effects to the miasmatic influences arising from the swamps in which they work, Combined with the heat reflected by the mounds of white sand adjoining.

The condition in which I have found the patients in the hospital, notwithstanding the care bestowed upon them, seems to require immediate attention both on the part of the military authorities and on the part of the Medical Corps attached to the Department.

Ambulances are needed. The requisitions have been made repeatedly on Major Pringle to obtain some for upwards of a week past and none

has as yet been furnished.

There are complaints also made against Dr. J. B. Holmes the Surgeon in charge of the hospital at Mount Pleasant. He is accused of wanton neglect and of being at times in a state, which unfits him for the performance of his duties while attending on his patients. as will be seen by memorandum (a) hereto annexed.

And Capt. Witherpoon 1<sup>st</sup> S. C. Regiment urges the same complaint as to the want of proper attendance on the patients by the physician, adding, that there is blameable want of transportation, and that on account of the agent for the owners of the slaves having been taken sick to the hospital in the City, the negroes are without a proper person to watch over them.

Dr. Holmes, on whom I called for explanation concerning the charges brought against him, excused himself by stating:

1<sup>st</sup> That he had been sick indeed of erysipelas since the 10<sup>th</sup> of Dec.

2<sup>nd</sup> That he had no answer to make to the charges until he was confronted with those who had brought them & that he was sure he could show, if he had a chance, that he had been taken for one Paul Lockwood Stewart of the hospital who went by the

designation of Doctor, and who he had  
dismissed from service on account of  
incorrigible drunkenness.

I would respectfully re-  
commend ~~that~~ the disease being un-  
known, the dissection of one of the dead  
negroes; that such remedy may be devised  
as will alleviate and as far as practicable  
remove the evils complained of.

Respectfully submitted

(A.) Sullivan's Island Sept 30<sup>th</sup> 1863

I certify that I saw Dr. Holmes Surgeon in  
charge of Hospital at Mount Pleasant for negroes  
working on defenses around Charleston, in a state  
of intoxication unfitting him for the discharge  
of his professional duties, although at the time  
he was attempting to discharge said duties,  
which time was the morning of the 29<sup>th</sup> inst.  
Mr. M<sup>r</sup>. Keissock Overseer and Rev<sup>d</sup>. Mr. Duncan  
of 20<sup>th</sup> S.C. Regt. were present & concurred  
with me at the time in the opinion above  
expressed.

Sir

I have been recently appointed  
Brigade Commissary in the Confederate States, and  
and I have accepted of the appointment, but  
owing to the very feeble state of my health, I have  
not yet entered upon the discharge of the duties of  
the office, and thinking my doubtful how long it will  
be before I can be able to do my duty, as it ought  
to be done, I feel it due to the Government that I  
should resign my appointment at once.

I am Sir with great respect

You will with this receive a long list of resignations they are generally with long term engagements I respectfully recommend that they all be accepted with the proviso that they remain liable for compensation as most of them are worthless old officers who have been incited to resign by their Colonels. All that resignations that the acceptance is recommended for the good of the service and of this kind and if the order of acceptance can be made then to the Comd it will be well.

Alma, the 11th Nov  
1851

I feel led to believe, from the  
papers & your note, that a friend of  
his, who was thought to be a friend,  
may have appeared at the house of the  
Colonel & that it was he who  
communicated to you, the truth as to  
the matter.

I seek no office - at least for myself.  
I write on behalf of the interests of Major  
T.H. Holman, my lecturee, who is con-  
sidered of Government & is at the same  
time writing against his knowledge. I know  
his situation. The long action of South  
Carolina as long as he is in a position  
of the State is one of our former  
Governors. He is a person who is just  
now, embarrassed by being still more, it has  
months since his wife & child died, leaving him  
with a large family & little very little means, a third  
of his salary. His oldest daughter is living with me.

went the hour to be with me  
in New York, where I am for a period of  
time. I have to confess I feel better satisfied with  
a Southern Union & the situation as he is now.  
The recognition of his college in North Carolina.  
That college I believe he would gladly transfer  
to our University; if we offered him what his  
native state does not offer him at present.

In plain words, I believe him to be good &  
brave. I know his feelings are with the South-  
ernists. I want him to resign his present  
post, even before North Carolina acts, & without  
regard to her. And I desire to see him at  
the head of a regiment, and under the command  
of Jeff. Davis, First President of our  
Confederate States.

It is only margin, so far as I am concerned,  
for you to know that I write truly. Mr. Holt  
wrote a ~~short~~ - Justice Mottley, of the Supreme  
Court, if you think me worthy, of ~~any~~ to be a quind  
of, ~~as far as~~ <sup>say</sup> that I write not ~~in~~ <sup>with</sup> otherwise.  
I am from you I am no officer-like. I was lately  
a private in Fort Morgan; but ~~did~~ have

not seen enough service to return up at any time  
in place. The Major's conduct & feelings & as  
I trust are before you.

With a fellow we go to see you

~~Headquarters Reserve, H. C.~~

It is my duty to report the death of  
My son & Co. A. Camp. Casualty of the 1st Division, being  
perfectly useless here in inaction while our strength  
for life was going on in the I gave him permission  
to go to the front to lead action. When he failed  
to receive the necessary orders, and wrote to the  
turn to inaction would be to be unworthy of his Country  
and his father; he therefore attached himself to the 1st  
Company and was killed as reported by the Command of the  
Regt. to the 1st, while leading a line of sharpshooters, the  
enemy's sharpshooters in the battle were killed  
on the 31st. He was brave, generous & true.
